Bye-bye, bye-bye Bible  
Bye-bye, bye-bye faith

I'm gonna have a pagan morning  
I'm gonna have a pagan day  
The girl that I've been speaking to all night  
Has left me for my friend

Bye-bye, bye-bye Bible  
Bye-bye, bye-bye faith

And I can change, but I can't change yesterday  
Can apply the change but things won't be the same  
And I can change, but I can't change yesterday  
You'll do the same but I can't change your way  
Try to change, but I can't change yesterday  
Oh we can change, but I can't change yesterday

The girl that I've been speaking to all night  
Has left me for my friend  
Bye-bye, bye-bye Bible  
Bye-bye, bye-bye faith
