

## Bullet On The Tracks

### The Vincent Black Shadow

Bullet on the tracks  
Bullet bullet bullet  
Please don't come around  
I've got to make it downtown  
There's a splinter in the corner of my eye

The suitcase  
Stairs  
Going  
Anywhere  
Don't call me bad  
You're the worst I've ever had  
Don't call me bad  
That's just rude
