

Get Lost

The Vindictives

You're not very nice, and you're kinda mean,
I don't like you anymore; you're no fun to be around,
Fuck you, you suck, I hate you, get lost, go away, you asshole,
you fucker,
Get lost, get lost, get lost, get lost, get lost,
Always treat me bad, always make me sad,
You look like you're mad; I'd like to kick you in the head,
Such a grouchy face, bitch all over the place,
Never nice at all, put your head right through the wall
