## **Swallow My Pride**

## The Vindictives

Winter is here and it's going on two years Swallow my pride And things were looking very grim but they're looking good again Swallow my pride

Loose lips sink ships, they say but isn't it always that way? Swallow my pride, oh yeah, oh yeah, oh yeah

Winter is here and it's going on two years Swallow my pride And things were looking very grim but they're looking good again Swallow my pride

Gonna have a real cool time and everything's gonna be real fine Swallow my pride, oh yeah
