You May Be Right

The Vindictives

Friday night I crashed your party Saturday I said I'm sorry Sunday came and trashed me out again I was only having fun Wasn't hurting anyone And we all enjoyed the weekend for a change

I've been stranded in the combat zone I ate a piece of Styrofoam, I rode my motorcycle in the rain And you told me not to drive But I made it home alive So you said that only proves that I'm insane

You may be right I may be crazy But it just may be a lunatic you're looking for Turn out the light Don't try to save me You may be wrong for all I know But you may be right

Remember how I found you there Alone in your electric chair I told you dirty jokes until you smiled You were lonely for a man I said take me as I am Cause you might enjoy some madness for awhile

Now think of all the years you tried to Find someone to satisfy you I might be as crazy as you say If I'm crazy then it's true That it's all because of you And you wouldn't have me any other way

You may be right I may be crazy But it just may be a lunatic you're looking for Turn out the lights Don't try to save me You may be wrong for all I know But you may be right

You may be wrong for all I know, But you may be right. (4x)
