

# Candy Flippin' Girl

The Vines

Out in the sun  
Is where she plays  
Just havin fun  
Lost in a daze

I'm in love with a candy flippin girl  
Oh yeah  
Cause I live in a candy flippin world  
Oh yeah

She takes her time  
Takes all she needs  
Feelin alright  
Like in a dream

I'm in love with a candy flippin girl  
Oh yeah  
Cause I live in a candy flippin world  
Oh yeah

I wanna go just where she goes  
I wanna know just what she knows

I'm in love with a candy flippin girl  
Oh yeah  
Cause I live in a candy flippin world  
Oh yeah  
I'm in love with a candy flippin girl  
Oh yeah  
Cause I live in a candy flippin world  
Oh yeah
