

## Dope Train

The Vines

I hear the sound  
Comin' up  
Goin' down

Danger in the hollow  
Sewer on the side  
Waitin' for the morrow  
Dope to get ya by

See for a mile  
What I mean  
To decide

Danger in the hollow  
Sewer on the side  
Waitin for the morrow  
Dope to get ya by

You're forever dreamin'  
And forever bored  
Everything ya needed  
I just cold ignore
