

Manger

The Vines

Burnin' down the manger
Cause my Lords a stranger
Beatles are bigger than Jesus

Til' the end of time
We will be alive
We know more now
Than we did then

Well only be awhile
Makin' the future right
Strung out and here today
We'll take your life away

Well only be awhile
Makin' the future right
Strung out and here today
We'll take your life away

Hey!
Burnin' down the manger
