Radio Christiane

Now check it

I'm feeling fine You're feeling the same You want it like that

It was a romance It was a radio It was a radio It topped the radio, baby, baby, Baby, come on

Damn it for understanding I'm always racing against my mind Take in consideration But it's so easy to say goodbye

Oh Christiane You never been wrong And make that plan But have a little fun

Oh Christiane You never been wrong And make that plan But have a little fun
