

Rich Girls

The Virgins

We'll walk around
Pretending we're all grown up
Hey, rich girls!
Well, can you tell me why
You're so stuck up
And act so down?

I'll tell you everything I know,
Any little thing I know.
Got a lovely way with words,
At the way you see the world,
It's just you way you see the world.

You got to know!
You got to know!

We'll walk around
Pretending we're all grown up
Hey, rich girls!
Well, can you tell me why
You're so stuck up
And act so down?

I'll tell you everything I know,
Any little thing I know.
Got a lovely way with words
At that the way you see the world,
It's just the way you see the world.

You got to know!
You got to know!

I went down to your house last weekend
You was like: "Come on man,
You don't have to point out everything that's bad.
So there's a broken mirror on my bed."
I'll clean it up, so what?
"You don't have to be such an asshole all the time.
Don't be like that," she said.
