

By Our Brotherhood With Seth

The Vision Bleak

Thou, dweller of the night sky whose voice is thunder and storm,

Thy allies are chaos and glory, thy realm is darkness adorned

Thou, slayer of Apophis who died a thousandfold death

Bringer of light - blessing and bane

Six is thy number,

Thy name is Seth

Adversary of the one-sided

Grant us thy magical will

Great is thy power - ferocious thy wrath

Thy brilliant endeavour - we shall fulfill

Seth Io!

The old typhonic beast

Seth Io!

To thee we are sworn...

By our brotherhood with Seth sacred to us

Is thy glorious strife!

Patron of rebellion!

The great Horus Eye - it is ours...

By our brotherhood!
