The Foul Within

The Vision Bleak

A pure and lovely child Sweet beyond deny It crept into its soul one night Unseen by human eye

Lucifer - Azazel - Belial - Seth The devil has many a name Ancient alp - adversary - come forth and reveal Thy nature thou must proclaim

Lord of all winds, fever and plague Thy will be done - thy will be done Bringer of havoc, fiend of old date Thy will be done - thy will be done By god and the heavens Let loose from this soul The name of the father And lord we extol

Lucifer - Azazel - Belial - Seth The devil has many a name Ancient alp - adversary - come forth and reveal Thy nature thou must proclaim

Lord of all winds, fever and plague Thy will be done - thy will be done Bringer of havoc, fiend of old date Thy will be done - thy will be done By god and the heavens Let loose from this soul The name of the father And lord we extol

Lord of all heavens, deliver from hell Thy will undone, thy will undone To the power of Christ thou must compel Thy will undone, thy will undone Lord of all winds, fever and plague Bringer of havoc, fiend of old date Thy will is done...
