

Begin

The Wailin' Jennys

Hey, maybe the time
just wasn't right to hang on
When are you gonna learn
Sometimes things turn instead of turn out

Hey, when are you gonna stand
Stop looking over your shoulder
Me, with a head full of words
And not one useful expression
Hey, let go

We, with holes in our hearts
Were whole at the start
Our story began
We film ourselves 'til the end
Try to suspend our lives in the dark

Hey, when are you gonna stand
Stop looking over your shoulder
See, there's a sun in the sky
And a moon that will take us til morning
When are you gonna stand
Stop and begin this moment
Hey, let go
Let go (will we be the ones to understand?)...
