

Racing with the Sun

The Wailin' Jennys

Get your day's work done
Get your day's work done
Or soon you'll be
Racing with the sun.
Make your plans today
'Fore the evening's on
Or you'll end up
Racing with the sun

Hard, hard, times
That you've had
Hard, hard times
But today you're mighty glad.

'Cause your work's all through
And your battle's won
Now you'll never never be
Racing with the sun.
