Racing with the Sun

The Wailin' Jennys

Get your day's work done Get your day's work done Or soon you'll be Racing with the sun. Make your plans today 'Fore the evening's on Or you'll end up Racing with the sun

Hard, hard, times That you've had Hard, hard times But today you're mighty glad.

'Cause your work's all through And your battle's won Now you'll never never be Racing with the sun.
