

And She Closed Her Eyes

The Walkabouts

And she closed her eyes and said
No I'm not in love
I'm not in much for real
And the hood fell off her head
And her face got wet
I held my part of the deal

I've been growing older he thought
And he smiled and said
You've got the saddest face i've seen
And when she didn't seem to listen at all
He said I'm getting wet
You held your part of the deal

And she closed her eyes and said
No I'm not in love
I'm not in much for real
And the hood fell off her head
And her face got wet
I held my part of the deal
