

Big Black Car

The Walkabouts

(written by Alex Chilton)
Driving in my big black car
Nothing can go wrong
I'm going and I don't know how far
So, so long
Maybe I'll sleep in a Holiday Inn
Nothing can hurt me
Nothing can touch me
Why should I care
Driving It ain't gonna last
Sunny day, highway
If it rains it's all the same
I can't feel the fear (?)
I can't feel a thing
Big black car
Nothing can hurt me
Nothing can hurt me
[??? From here on I just can't make it out . . .]
