

Till I Reach You

The Walkabouts

I don't care how long it might last
don't care anymore
don't care about that

I don't care how long it might take
I'm still wide awake
out walkin' late

Till I reach you
wait until I
Till I reach you
wait until I
Till I reach you

I don't care if it takes half the night
or a life
or if it's all a slow dream
ain't no answers in me

every slight of the hand
every brick
every stone
I can face it alone
walkin' alone

don't care anymore
if it's short, fast, or blind
the chalk lines are drawn
I'm walkin' all night
caressed and caroused
don't care what it takes
I'm still wide awake
