

## The Electrician

The Walker Brothers

Baby it's slow  
When lites go low  
There's no help no  
Baby it's slow  
When lites go low  
There's no help no  
He's drilling thru the spiritus sanctus tonight  
Thru the dark hip falls screaming oh you mambos  
Kill me and kill me and kill me  
If I jerk the handle  
You'll die in your dreams  
If I jerk the handle  
Jerk the handle  
You'll thrill me and thrill me and thrill me  
Baby it's slow  
When lites go low  
There's no help no
