

# There Goes My Baby

The Walker Brothers

There goes my baby  
Moving on down the line  
Wondering where, wondering where  
She is bound

I broke her heart  
And made her cry  
Now I'm alone, so all alone  
What can I do, what can I do

Just wanna know  
Does she love me  
Does she really love me  
Or is she just playing  
Me for a fool

I wonder why she left me  
Why did she leave me so all alone  
So all alone

I was gonna tell her that I loved him  
And that I need her  
Beside my side  
To be my guide

I wanna know  
Where is my baby  
I want my baby  
I need my baby

I was gonna tell her that I loved him  
And that I need her

Beside my side  
To be my guide

I wanna know where is my  
Where is my baby  
I need my baby  
I need my baby
