

New Year's Eve

The Walkmen

the music's loud, in your room, turn it down there's a
neighbor who can't take it any more I'll take your hand,
in another one night stand there's a lot for us to figure
out so if this is how it ends, well lock the door behind
you then and let me down easy The music's loud in your
room turn it down, but the more we talk, the less we
understand
