

# No One Ever Sleeps

The Walkmen

See the yards, tender goats  
Up in wonder for you know  
Can't continue on this way  
No one ever sleeps

Here among these laughing faces  
Sing of our love and hate  
I can't continue on this way  
No one ever sleeps  
No one ever sleeps

See the wallets time and go  
I'll be up, oh you know  
Can't remember all the stuff  
To show

Run children run  
Run children run  
Run children run

No one ever sleeps
