

## Closer to You

The Wallflowers

How soft a whisper can get  
When you're walking through a crowded space  
I hear every word being said  
And I remember that everyday  
I get a little bit closer to you

How long an hour can take  
When you're staring into open space  
When I feel I'm slipping further away  
I remember that everyday  
I get a little bit closer to you

These are the days  
That I won't get back  
I won't hear you cry  
Or hear you laugh  
And when it's quite  
And I don't hear a thing  
I can always hear you breathe

You know there's nowhere else  
I've wanted to be  
Than be there when you need me  
I'm sorry too  
But don't give up on me  
And just remember that when you get asleep  
I got a little bit closer to you
