

# Empire Of My Mind

The Wallflowers

Well, there is trouble in my mind  
There is dark  
There's dark, and there is light.  
I lay our hands over my eyes  
As I look deep  
Through valleys deep and wide  
Across the border line  
For the Empire in My Mind

You are the reason I don't sleep  
You are the light  
That's breaking through the leaves  
You know how hard I try  
To believe  
I have something good inside  
Over barricades I climb  
For the Empire in My Mind.

I have no love somewhere in time  
I've been lifted up  
I've looked honor in the eyes  
I have no reason; I have no rhyme  
I cannot deny  
There's a darkness that's inside  
I am guilty by design  
And now I realize  
The temptation's made me blind  
To the Empire in My Mind

There is no order  
There is chaos  
And there is crime  
There is no one home tonight  
In the Empire in My Mind

There is no distance that I don't see  
I do have a will  
No limit to my reach  
I wish I would; I wish I might  
See a line tonight  
Separating wrong from right  
Some are only born to try  
And maybe that's the reason why  
I am afraid someday I'll find  
There is no Empire in My Mind

There is trouble in my life  
There is trouble in my life
