

Bumble-bee Boy

The Wannadies

I want to fly like a bum...bum...bumble-bee.
Defy everything, with nimble wings.
Being without being seen, bumble-bee boy.
It might seem surreal, but it's ideal,
And you, how about you?
A whole new flavour.

Taste it or waste it;
It's all up to you.
You can be a bumble-bee boy too.
And if you taste it, maybe,
You can go there too.
You can be a bumble-bee boy too.
And if you do...

We would be flying like bum...bum...bumble bees.
Have a daily sweep, defy every steep.
Being without being seen, bumble bee-boy.
Enjoying some, annoying some;
And you, how about you?
A whole new flavour.

Taste it or waste it;
It's all up to you.
You can be a bumble-bee boy too.
And if you taste it, maybe,
You can go there too.
You can be a bumble-bee boy too.
I hope you do.
