

## Damn It I Said

The Wannadies

No news, nothing happens  
No wins, seem to come my way  
But I'm ok  
My new friends don't belong here  
My old friends didn't want to stay  
That's ok  
It's an infinite Monday story  
Boring? Yes! That's my address

Damit, I won't, have it, this way  
Damit, I said, I won't have it  
Damit, I said, I won't have it  
This... way

So long, since you wrote me  
So long, since I wrote you back  
I still live here  
Cold springs what a nuisance  
Good things?  
Well it's hard to tell  
But I'm ok  
It's an infinite Monday story  
Boring? Yes! That's my address

Damit, I won't, have it, this way  
Damit, I said, I won't have it  
Damit, I said, I won't have it  
This...way

Dare I say I feel a bit psycho  
Dare I say it feels very nice...though  
Ride, oh, end, oh?
