

Do It All The Time

The Wannadies

Wooooo!

Love smitten.

You're so young and so pretty
I was drunk, kinda happy
And we're all so confused, always

Sweet talk, sweet kissing
Little girl, I'm in prison
Yeah you've got me so confused
Born to lose
And it's always the same...
Every time it's always the same

We do it all the time
We fall in love and we love it!
We do it all the time
Wooooo!
Love smitten.

You're so young, so luscious
I was drunk, most religious
And we're all so confused, always
Passion, sweet kissing
You're fun, you're wicked
And you've got me so confused,
Born to lose
And it's always the same...
Every time it's always the same, same, same
