

# Have Another One

The Wannadies

Have another one, yeah  
Have more of all, yeah  
Sitting on a spaceball, looking smart  
Making babies, breaking hearts

Have another one, yeah  
Never ending fun  
Sitting on a spaceball, looking smart  
Oh, yeah

Have another one, yeah  
Never ending fun  
Wasted maybe, we don't care  
Oh, yeah

Have another one, yeah  
Never ending fun  
Sitting on a spaceball, looking smart  
Making babies, breaking hearts
