

Have Another One

The Wannadies

Have another one, yeah
Have more of all, yeah
Sitting on a spaceball, looking smart
Making babies, breaking hearts

Have another one, yeah
Never ending fun
Sitting on a spaceball, looking smart
Oh, yeah

Have another one, yeah
Never ending fun
Wasted maybe, we don't care
Oh, yeah

Have another one, yeah
Never ending fun
Sitting on a spaceball, looking smart
Making babies, breaking hearts
