

## Hit

## The Wannadies

Monday's no fun, Tuesday's the same  
Wednesday's might go out, at least something  
Thursday's the day after Wednesday  
Friday's I go out, at least something

Hit  
Who's calling this a hit  
Well, I deserve a hit  
Calling this a hit  
I don't deserve it

Monday's no fun, Tuesday's a waste  
Wednesday's I go out, oh nothing  
Thursday's headache and I deserve it  
Friday's I go out, at least something

Hit  
Who's calling this a hit  
Well, I deserve a hit  
Calling this a hit  
I don't deserve a hit

A hit, a hit, a hit  
Who's calling this a hit, a hit  
Well, I deserve a hit, a hit  
Who's calling this a hit
