

Fix You

The Wanted

When you try your best but you don't succeed
When you get what you want but not what you need
When you feel so tired but you can't sleep
Stuck in reverse

When the tears come streaming down your face
When you lose something you can't replace
When you love someone but it goes to waste
Could it be worse?

Lights will guide you home
And ignite your bones
And I will try to fix you

Tears stream down on your face
When you lose someone you cannot replace
Tears stream down on your face
And I'll...

Lights will guide you home
And ignite your bones
And I will try to fix you
