

## Love Sewn

## The Wanted

Yeah we fell we fell so hard we sold out  
Yeah we fray and fade away  
We never cut loose, there's nobody but you  
Nobody else (nobody else)

Yeah we feel we feel all of the same things  
You find you find all of my secrets  
Locked up deep inside of me  
I know you're always right  
Always right

So save your words  
I'm bleeding inside  
You see I hurt, got nowhere left to hide  
And all this time, you're slipping away from me  
Bring me to my knees

Now I'm lying on the floor  
With no one else to blame  
Torn apart and I know that I've messed it up again  
Now I don't recognize just what we used to be  
And I can see us tearing at the seams

We cover up the scars, and never let them go  
Stitch up our broken hearts, this love is sewn  
(This love is sewn)

Yeah we try, we try to leave them behind  
All our mistakes, we stumble through a million fights  
Every time we twist the knife  
We forgive never forget, never forget

So save your words  
I'm bleeding inside  
You see I hurt, got nowhere left to hide  
And all this time, you're slipping away from me  
Bring me to my knees

Now I'm lying on the floor  
With no one else to blame  
Torn apart and I know that I've messed it up again  
Now I don't recognize just what we used to be  
And I can see us tearing at the seams

We cover up the scars, and never let them go  
Stitch up our broken hearts this love is sewn

Sewn...this love is sewn  
Sewn...this love is sewn  
Sewn...this love is sewn  
Sewn...this love is sewn

Yeah we fell we fell so hard we sold out  
Yeah we fray and fade away, we never cut loose
