

## Weakness

## The Wanted

She aims a smile with the safety off  
And she's not afraid to use it  
She holds my gaze just long enough  
For me to feel like I'm gonna lose it

And I know that she knows  
That I know what she's doing to me  
And she knows when she calls  
I'll fall for her every time

Cause I'm wrapped I'm wrapped around  
Your perfect little finger  
And I'm trapped inside the cell  
Of every sound she makes  
She is my weakness, she is my weakness

A look from her is like oxygen  
How would I keep breathing without her  
She breaks a whole as she looks away  
Now my heart ain't beating without her

And I know that she knows  
That I know what she's doing to me  
And she knows when she goes  
I'll come for her every time

Cause I'm wrapped I'm wrapped around  
Your perfect little finger  
And I'm trapped inside the cell  
Of every sound she makes  
She is my weakness, she is my weakness

I know it might sound crazy  
But I don't wanna let go  
Now I don't mind spending every night if you don't let go

I know it might sound crazy  
But I don't wanna let go  
Now I don't mind spending every night if you don't let go

Cause I'm wrapped I'm wrapped around  
Your perfect little finger  
And I'm trapped inside the cell  
Of every sound she makes  
She is my weakness, she is my weakness
