

## Awakened

## The Warriors

(Look again)  
Reflected, terrible emptiness  
Perfect ones slumbered here  
(Seeking death?)  
Horrified  
Flip the switch-awakened  
Recognize fully recognize wretchedness  
This golden cage has kept you locked away  
Mesmerized by all the worthless games  
You play  
Why aren't you satisfied?  
(I'll rise twice as high)  
Breakdown arise  
Twice as high
