

Boneyard Tree

The Watchmen

Something's hanging down on the boneyard tree
Something's hanging down on the boneyard tree
Little girl, I love you so much
Why'd you go and give away your touch?
Some thing's hanging down on the boneyard tree
I just don't know how all this came to be
I don't know how I'll get these stains off me
You see I sees you walking down in God's yard
Saw steamy windows, backseat of your car
Some thing's hanging down on the boneyard tree
Oh, I feel I'm fading
Oh, the fire's blazing
Oh, you can look for she
Down on the boneyard tree
What's with all these voices calling on me
Soft little whispers wanna see me bleed
Can't you see I've suffered so much?
You lost life but I lost true love
Something's hanging down on the boneyard tree
Oh, I feel I'm fading
Oh, the fire's blazing
Oh, you can look for she
Down on the boneyard tree
Oh, I feel I'm fading
Oh, the fire's blazing
Oh, you can look for she
Down on the boneyard tree
Something's hanging down on the boneyard tree
Something's hanging down on the boneyard tree
Your face is locked in a look of distress
Still you look cute in your blood red dress
Some thing's hanging down on the boneyard tree
