Run And Hide

The Watchmen

I hate to see you lying there, curled up in a ball I hate to smash your pretty face against the fucking wall But I'm a desperate man girl, I'm down on my knees

I hate to see you crying, I hate to see those tears But you're the one who's sitting there just tossing out the years Why you doing this? Why you wanna go?

Won't you ever understand? You're my woman, and I'm your man

And everytime I hear your name The floodgates open, blood it rains And I can't see where I went wrong You can't leave while I'm not strong

(And I can see you run and hide) Oh baby won't you ever let me (See you run and hide) Oh baby won't you ever Let me live my life 'Cause I'm afraid I just don't love you

So pick yourself on up girl, straighten yourself out Pick up all those wasted years you're just so torn about Put them back girl, back up on the shelf On the shelf yeah

You and me will be forever I'm your hero, and you're my treasure

And everytime I hear your name The floodgates open, blood it rains And I can't see where I went wrong You can't leave while I'm not strong

(And I can see you run and hide) Oh baby won't you ever let me (See you run and hide) Oh baby won't you ever Let me live my life 'Cause I'm afraid I just don't love you

Everytime I hear your name The floodgates open, blood it rains And I can't see where I went wrong You can't leave while I'm not strong

(And I can see you run and hide) Oh baby won't you ever let me (See you run and hide) Oh baby won't you ever Let me live my life 'Cause I'm afraid I just don't love you
