## And a Bang on the Ear

## The Waterboys

Lindsay was my first love she was in my class I would have loved to take her out but I was too shy to ask The fullness of my feeling was never made clear but I send her my love with a bang on the ear

Nora was my girl when I first was in a group I can still see her to this day, stirring chicken soup Now she's living in Australia working for an auctioneer but I send her my love with a bang on the ear

Deborah broke my heart and I the willing fool I fell for her one summer on the road to Liverpool I thought it was forever but it was over in a year (oh dear) but I send her my love with a bang on the ear

The home I made with Bella became a house of pain we weathered it together bound by a ball and chain It started up in Fife, and ended up in tears but I send her my love with a bang on the ear

Krista was a rover from Canada she hailed we crossed swords in San Francisco we both lived to tell the ta le I dont know now where she is oh but if I had her here I'd give her my love with a bang on the ear

So my woman of the hearthfire, harbour of my soul I watch you lightly sleeping and sense the dream that does unfo ld (like gold) You to me are treasure, you to me are dear so I'll give you my love with a bang on the ear
