

Billy Sparks

The Waterboys

What shall I give you to make you take down your dress
What shall I give you to make you take down your dress
Will you show me where the party is
And we'll put you to some quiet caravan
And as sure as my name's Billy Sparks I'm your man
Singing doodoo doo doodoo
Doodoo doo doodoo
Doodoo doo doodoo
Doodoo doo doodoo

Where will I find you when siesta comes
Tell me where will I find you when siesta comes
Hasta manana by the sycamore tree
Well you just sat someplace else looking for me
And when I find you singing doodoo doo doodoo
Doodoo doo doodoo
Doodoo doo doodoo
Doodoo doo doodoo
Doodoo doo doodoo

And we're gonna dance electric fantastic
We're gonna dance electric fantastic
Yeah, go on and tell everybody that you know
Brush your hair up in a big red bow
And all we need
Is a bottle and a broomstick, yeah!
Singing doodoo doo doodoo
Doodoo doo doodoo
Singing doodoo doo doodoo
Singing doodoo doo doodoo

Hey!
