

## Good News

The Waterboys

Drop your guns  
And hear the news  
The war is won  
And we've called a truce

The key is found  
Then the circle complete  
And the higher ground  
Is beneath our feet

Like the turn of a page  
Or a change of gear  
A brand new age  
Is already here

And even while  
Men pursue their doom  
A magical child  
Is kicking in the womb

I'm preparing for birth  
I'm not the only one  
I'm a part of the earth  
I'm a drop of the sun

I'm in step with the stars  
I'm in league with the land  
I'm a functioning part  
Of the Master's plan
