Strange Boat

The Waterboys

We're sailing on a strange boat Heading for a strange shore We're sailing on a strange boat Heading for a strange shore Carrying the strangest cargo That was ever hauled aboard

We're sailing on a strange sea Blown by a strange wind We're sailing on a strange sea Blown by a strange wind Carrying the strangest crew That ever sinned

We're riding in a strange car We're followin' a strange star We're climbing on the strangest ladder That was ever there to climb

We're living in a strange time Working for a strange goal We're living in a strange time Working for a strange goal We're turning flesh and body Into soul
