

## The Faery's Last Song

The Waterboys

Man has the fields of heaven  
But soulless a faery dies  
As a leaf that is old and withered  
And cold when the winter winds arise.

Soon shall our wings be stilled  
And our laughter over and done  
So let us dance on the waves  
Let us dance in the sun.

Soon shall our wings be stilled  
And our laughter over and done  
So let us dance on the waves  
Let us dance in the sun.
