

Give My Love To Kevin

The Wedding Present

Why should I want to know his name?
What difference does it make?
You know I tried dead hard to keep away, I just had to call aga
in

Where did you go last night?
What's that new place like?
Okay, I won't ask anymore questions and then you can't tell me
lies

Well, they always need good men
They're crying out for them
It's not the sort of job I'd do myself, but then I'm not him

Oh, he buys you pretty things
And what does your mother think?
I just can't bear to imagine you sharing a bed with him

Tell me why should I be upset?
Some kid I've never met
We'd better sort this out before I go and say something I'll re
gret

No, I'm sure it suits him
I'm not trying to be anything
Before I leave I want you to give my love to Kevin
