Echoes of Silence

The Weeknd

Talk to me baby Tell me what you're feeling You say you don't need to go Don't you pretend you didn't know How all of this would end up Girl I saw it in your eyes And baby I can read your mind And expectations were not in sight You knew that talking dirty to me on the phone would get me her е Cause we both wanted to do this but I could tell that you were scared Cause you thought there was more to us but you knew how this wo uld end It's gonna end how you expected girl you're such a masochist an d I ask why And you reply... I like the thrill Nothing's gonna make me feel this real So baby don't go home I don't wanna spend tonight alone Baby please Would you end your night with me Don't you leave me all behind

No no no no no
