Real Life

The Weeknd

Tell 'em this boy was made for loving
Tell 'em this heart doesn't stay to one
I'll be the same, never changed for nothing
It's all I know, never learned much more

Mama called me destructive, oh yeah
Said it ruined me one day, yeah
Cause every woman that loved me, oh yeah
I seemed to push them away

That's real life, oh oh oh
Real life, ooh
Mama talking that real life, oh oh oh
That real life, real life, real life, real life

I know you don't really understand it
I'm not allowed to regret my choice
I heard that love is a risk worth taking
I've learned to know never been that boy

Mama called me destructive, oh yeah
Said it ruined me one day, yeah
Cause every woman that loved me, oh yeah
I seemed to push them away

That's real life, oh oh oh
Real life, ooh
Mama talking that real life, oh oh oh
That real life, real life, real life, real life

Heaven only lets a few in
It's too late for me to choose it
Don't waste precious tears on me, I'm not worth the misery
I'm better off when I'm alone

That's real life, oh oh oh
Real life, ooh
Mama talking that real life, oh oh oh
That real life, real life, real life, real life
That's real life, oh oh oh
Real life, ooh
Mama talking that real life, oh oh oh
That real life, real life, real life, real life
