Record man play my song on the radio
You too busy trying to find that blue-eyed soul
I let my black hair grow and my weed smoke
And I swear too much on the regular
We gone let them hits fly, we gone let her go
If it ain't XO then it gotta go
I just won a new award for a kids show
Talking 'bout a face-numbing off a bag a blow

I'm like goddamn bitch I am not a Teen Choice Goddamn bitch I am not a bleach boy Whip game, make a nigga understand though Got that Hannibal, Silence of the Lambo Hit the gas so hard make it rotate All my niggas blew up like a propane All these RnB niggas be so lame Got a sweet Asian chick she go low mane

You know me, you know me, you know me Everytime you try to forget who I am I'll be right there to remind you again You know me (pow! pow!), you know me

Said I'm just tryna swim in something wetter than the ocean Faded off a double cup, I'm mixing up the potion All I wanna do is make that money and make dope shit It just seem like niggas tryna sound like all my old shit Everybody knows it, all these niggas know me Platinum off a mixtape, sipping on that codeine Pour it in my trophies, roll until my nose bleed I'm a keep on singing while I'm burning up that OG

All my niggas get it they make money all alone
Rock a chain around they neck making sure I'm getting home
When I travel 'round the globe, make a couple mil a show
And I come back to my city, I fuck every girl I know
Used to walk around with a slouch, had a mattress on the floor
Now my shit straight eating all day, tryna lose weight
That good sex, we'll sweat it out, hotel bedsprings we'll wear it out
I ain't gotta tell you cause

You know me, you know me
You know me, you know me
Everytime you try to forget who I am
I'll be right there to remind you again
You know me (pow! pow!), you know me

Why don't you shake something, shake something
For the Don, don't you break nothing, break nothing
Big girl won't you work something, work something
For the Don, don't you hurt nothing, hurt nothing
Big girl won't you shake something, shake something
For the Don, won't you break nothing, break nothing
Baby girl won't you work something, work something
For the Don, don't you hurt nothing, hurt nothing
