

The Fall

The Weeknd

Verse 1]

You be pickin' my voice to dance to
You say my money no good in here
Even though I didn't ask you
And it's the most you've worked
Even though I probably don't deserve this girl
But you been dreaming for this moment so you have to
Baby, it's OK
I got show money baby
I wanna show you how I blow money baby
I wanna show you how I throw money baby
I'm a kid, so it's hard for me to hold money, baby
Cause I'm a star, don't get it twisted
Got some trappers in the car
What kind of caps I got the brownest of them all
Somebody pop em before we pop em all before we pop em all

Saying this ain't nothing, but it's all I need
And the peak ain't reached but the peek is all I feel
And it feels so good
It feels so good

I ain't scared of the fall
I've felt the ground before

Mama I understand why you're mad
And it hurts to accept what I am
And how I live
And what I do
But I've been good since Thursday
Yes I've been good since Thursday

So you can watch my love vanish
In a girl with no talent
But to make room, I'll vanish
Call a friend for my friend
And her friend's name's Lexis
I let my nigga's test it
I'm always worth a cent
Best believe I'm already spent
My blunt full of B.C
My cup full of Texas
Flowing on that OVO jet, yeah I said it
I was born to be reckless
I was forced to make records
So you ain't gotta ask "who's next?"

Saying this ain't nothing, but it's all I need
And the peak ain't reached but the peek is all I feel
And it feels so good
It feels so good

I ain't scared of the fall(4x)
I've felt the ground before(4x)

And I ain't scared of the fall

XO (4x)
