Your man on the road, he doing promo You said keep our business on the low-low I just wanna get you out the friend-zone Cause you look even better than the photos I can't find your house, send me the info Driving through the gated residential Found out I was coming, sent your friends home Keep on tryna hide it but your friends know

I only call you when it's half past, five The only time that I'll be by, your, side I only love it when you touch me, not feel me When I'm fucked up, that's the real me When I'm fucked up, that's the real me, yeah I only call you when it's half-past, five The only time I'd ever call you mine I only love it when you touch me, not feel me When I'm fucked up, that's the real me When I'm fucked up, that's the real me

I'mma let you know and keep it simple Tryna keep it up, don't seem so simple I just fucked two bitches 'fore I saw you You gon' have to do it at my tempo Always tryna send me off to rehab Drugs start to feel like it's decaf I'm just tryna live life for the moment And all these motherfuckers want a relapse
