

## Can't Go Back Now

The Weepies

Yesterday when you were young  
Everything you needed done was done for you  
Now you do it on your own  
But you find you're all alone, what can you do?

You and me walk on, walk on, walk on  
'Cause you can't go back now

You know there will be days  
When you're so tired  
That you can't take another step  
The night will have no stars  
And you'll think you've gone as far  
As you will ever get

You and me walk on, walk on, walk on  
'Cause you can't go back now

And yeah, yeah, you go where you want to go  
Yeah, yeah, be what you want to be  
If you ever turn around, you'll see me

I can't really say  
Why everybody wishes they were somewhere else  
But in the end, the only steps that matter  
Are the ones you take all by yourself

You and me walk on, walk on, walk on  
Yeah, you and me walk on, walk on, walk on  
'Cause you can't go back now  
Walk on, walk on, walk on  
You can't go back now
