

# And The Beat Goes On

The Whispers

And the beat goes on  
Just like my love everlasting  
And the beat goes on  
Still moving strong on and on

Do you ever wonder  
That to win, somebody's got to lose  
I might as well get over the blues  
Just like fishing in the ocean  
There'll always be someone new  
You did me wrong 'cos I've been through stormy weather.

And the beat goes on  
Just like my love everlasting  
And the beat goes on you'd better believe it  
Still moving strong on and on

Don't stop for nobody  
This time I'll keep my feet on solid ground  
Now I understand myself when I'm down  
Like the sweet sound of hip music  
There'll always be something new  
To keep the tables turning  
Hey this super song  
There'll never be an ending

And the beat goes on  
Just like my love everlasting  
And the beat goes on  
Still moving strong on and on (the beat goes on) on, ...

Get down playing that fee, sure the beat is real  
The beat goes on

And the beat goes on, ...
