

# Bring Me Back

The Whitlams

You can see that I'm trying  
But it doesn't come easily to me  
I'm hard around the eyes  
And like a gangster on the lookout  
I know the ending now  
Show me, bring me back to your love

I don't keep real good company  
Thats all that keeps me sane  
Show me can you bring me back to your love?

I can see you've been crying  
I wish you could bring it on in me  
I don't cry anymore  
Outside the movies  
and sometimes in my dreams  
Show me, bring me back to your love

I don't keep real good company  
Thats all that keeps me sane  
Show me can you bring me back to your love?

I don't keep real good company  
Thats all that keeps me sane  
Show me can you bring me back to your love?

I don't keep real good company  
Thats all that keeps me sane  
Show me can you bring me back to your love?

I don't keep real good company  
Thats all that keeps me sane  
Show me can you bring me back to your love?  
Show me can you bring me back to your love?
